Greg,

I am just going over my messages from Friday, January 15 (nothing like a snow day to catch up on old e-mails!), and I wanted to confirm that we are good to meet with you and Joel on Wednesday, February 3, at 1 p.m. at your office. The meeting will include the President of Hudbay, as well as Pat Merrin, who heads up the Rosemont mine project in Arizona for Hudbay. I believe that you sent out a calendar notice for this meeting, but I wanted to confirm that we are good on our side.

We look forward to seeing you and Joel next week. Thanks.

Alan – does Wednesday, Feb 3, 1pm – 2pm work for you? The meeting would be with Joel and me, and probably some staff.

Best,

Greg
